Beckenham Primary School
Year 4-6 Apps List for 2024
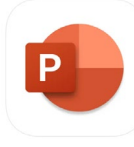

We have tried to keep the cost of apps to a minimum by choosing mainly free apps. **The cost for apps in 2024 is $13.97.**

To install apps onto a student iPad, an Apple ID is required with a payment method attached. A Child Apple ID will also need to be set up.
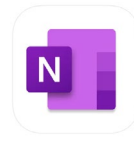

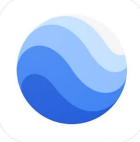

Once you have created an Apple ID, Scan a QR code with the camera on the iPad.

Please ensure that the apps listed below are installed before your child's iPad is brought to school.
