

IMAGE AND WORK PUBLISHING PERMISSIONS

Dear Parents/Carers

Your permission is sought to publish video or photographic images of your child and/or samples of your child's school work to be used by the school and the Department of Education. The purpose of using the images or work will be activities such as promoting the school, school events and celebrating student achievements.

Your child's image and/or school work may be published for the above purposes in a range of formats such as hardcopy and digital, including audio and video file formats, and published to a range of media including but not limited to school newsletters, email and Department of Education Intranet and Internet sites including social media websites (e.g. Website, Facebook, YouTube etc.), any third party applications and local newspapers in hardcopy and digital formats, which may enable viewers/readers to identify your child.

The school will endeavour to limit identifying information that accompanies images of your child or child's work; however, there will be occasions when your child's name, class and school may be published along with images.

If you agree to this use of your child's image and school work please complete the consent below and return this document to the school at your earliest convenience. Once signed, the consent will remain effective until such time as you advise the school otherwise.
